Subject: Deficient Amended Notice of Intention to Commence Small Mining Operations, Wellman Minerals Corporation, Brown Rock 7/Rocking Chair, S/045/0055, Tooele County, Utah

Dear Mr. Bennett:

The Division of Oil, Gas and Mining has reviewed the amended referenced Notice of Intention to Commence Small Mining Operations (NOI) received on August 12, 2014, and the following items will need to be addressed before the amended NOI can be determined complete:

1. Page 3 – More information is needed on the proposed enclosure/building; additional surety might be required based information to be submitted.
2. Page 6 – More information is needed on the proposed salts, include the volumes, types of salts and information for the proper storage of the salts.

The Division will need to obtain concurrence from the Bureau of Land Management for the reclamation surety amount. The acceptance of the amended notice of intention does not relieve an operator from his responsibility to comply with the applicable statutes, rules, regulations, and ordinances of all local, state and federal agencies with jurisdiction over any aspect of the operator's mining operations.

Please respond by providing replacement pages to the original NOI, using Form MR-REV-SMO/EXP, available on the Division's web site at [www.ogm.utah.gov](http://www.ogm.utah.gov).

Please call Leslie Heppler at 801-538-5257 or me at 801-538-5261 if you have questions about this letter. In reply, please refer to file number S/045/0055. Thank you for your cooperation.

Sincerely,

Paul B. Baker  
Minerals Program Manager
